Mr. Gregory Travis
419-683-5350

School

Mrs. Penny Miller
419-683-5350

[Welcome to the 2019-2020 school year!!](#)

On behalf of myself and all our Crestline Schools employees, it is my pleasure to welcome you to the new school year. We are excited to begin another school year and have been working diligently over the summer to prepare for your arrival. I would like to publicly thank our custodial staff, office secretaries, school counselor, transportation team, food service department, coaches, teachers, administration staff & all others who have been getting ready for our approaching first day of school, Tuesday, Aug. 20, 2019.

As with most new school years come new faces in our district. As principal, while I am “new” to Crestline, my career in education has stretched over the past 33 years and has included work as a classroom teacher, alternative education director, assistant principal and other administrative duties in a nearby Crawford County school district. In addition to myself as principal, I would like to welcome Mr. Gregory Travis to the building as Crestline High School’s new Assistant Principal and Director of Athletics. Together, we aim to provide a safe school environment for students and adults that is both welcoming, as well as one where students will be provided opportunities to excel academically, athletically, via extracurricular activities and clubs, and to become proud and productive citizens of our community.

We look forward to seeing all students and families on Monday, August 19 for our building’s open house night from 6-7pm. During this time, students may pick up schedules, visit classrooms and meet teachers, pick up HS parking permit applications (for our older student drivers--including any Pioneer students parking on campus), and have available a few excerpts from the updated student/parent handbook. This will include information on our middle school & high school policy regarding DRESS CODE expectations, student CELL PHONE usage during instructional time, and other items of interest. NO MAJOR CHANGES in these policies or expectations have been made, so students--with parental support--will be expected to arrive to the new school year in appropriate fashion. Please call the high school office with any questions.

I have been, personally, overwhelmed by the warm welcome and outpouring of encouragement received from the Crestline community and Bulldog Nation. I look forward to meeting each of you in the coming days, weeks and months, and appreciate your continuing support for the Crestline Exempted Village Schools!

Regards,

Kevin E. Fourman, Principal, grades 6-12
