## FAMILY MEMBERS MATTER!

**YOU**...can influence the success of your child in school more than any teacher or federal program. By becoming an active participant in the Title I parent involvement plan at your school, you will:

- ✓ Serve as a role model, showing your child that you support his/her education.
- ✓ Assure that you are aware of your child's educational progress, thereby demonstrating how important that process is to you.
- ✓ Teach your student that your input at the school is appreciated and that you support the school and teacher's efforts.

**RESEARCH SHOWS**....that how a child does in school depends a great deal on how much their families get involved in their education. You can become more involved by:

- ✓ Joining local and national school/family organizations.
- ✓ Supporting school extra- and co-curricular activities.
- ✓ Volunteering at your child's school.
- ✓ Attending parent-teacher conferences.
- ✓ Communicating with your child's teachers regularly, by writing notes, phone calls, or email.
- ✓ Keeping your child's teachers informed about events in your child's life which may affect his/her performance at school.
- ✓ Discussing with your child's teachers and parent organizations other ideas for parent involvement.
